SWCC does not have late night program. Location of Teen Room needs to be looked at closely. Pool and CC have different hours of operations.

Pottery - Jayne will look into the Pottery Studio financial and programmable stability. The pottery studio is potential location for the new teen center if the center cannot be expanded. Jayne will report back at the Public Meeting at PAT.

Play Area – needs to be salvaged and an area in the design needs to be allocated for it.

Pool Expansion – will not be taken into consideration for the design of the additions.
